KEDRA STYLES PVT. LTD.

## PRODUCT QUALITY AND CLASS

Quality is our cornerstone. Every product manufactured at our facilities undergoes a stringent quality regimen – a 4-step, foolproof quality assurance system.

Our methodology is highly structured. Everything starts with mind mapping. From design and sampling to manufacturing, quality assessments and delivery, every process is minutely checked to comply with international standards.

“Dress shabbily and they remember the dress. Dress impeccably and they remember the person,” goes the saying. We at Kedra Styles subscribe to this axiom. We want the world to be in enchanting attire ever!

## ABOUT US:

Kedra Styles is a house of fashion. We manufacture contemporary apparels & Accessories for children, women of all ages and interests. Quality with style is our design philosophy.

We have our manufacturing facilities in the Mumbai Metropolitan Region – a 35,000 sq.ft.

production area split into two factory units, with a capacity to manufacture roughly 2 million pieces of garments annually. With a turnover in excess of INR500 million, we have a dedicated workforce well-versed in crafting quality products. An in-house design studio staffed by a qualified and eminent

team of designers is the backbone of our production capabilities.

## OUR CREDENTIALS

- Ability to source a choice of fabrics for all apparel, including stylish, traditional and ethnic wear.
- Specialisation in both computerized and hand embroidery.
- Quick turnaround time – Sampling within 2-3 weeks, and production within 12-14 weeks.
- We are Sedex certified.

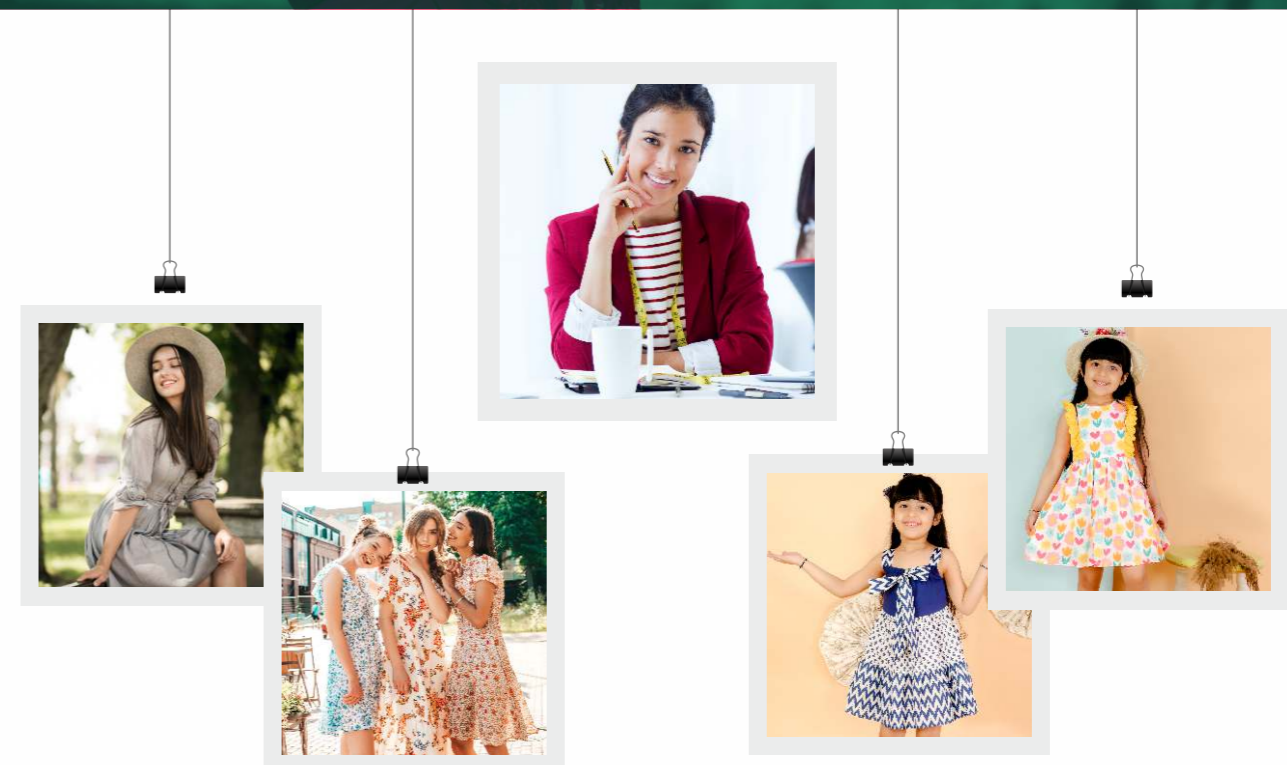

## OUR MISSION

Our mission is to remain focused on developing affordable designer products which are enchanting and comfortable.

## OUR VISION

We wish to become globally recognized as manufacturers of quality garments of contemporary design.

DO WELL, LIVE WELL & DRESS REALLY WELL
